

Task 1.3 plausible representative patterns

case 01: upward block | right | P11

Channel: lin_accel_y | dilation 6 | span 49 samples
PPV 0.554 | AUC 0.682 | meaning: plausible
True class 1, predicted 1 (correct), margin 0.560
Orange bands mark representative intervals, not unique causes.

case 02: upward block | left | P01

Channel: gravity_z | dilation 6 | span 49 samples
PPV 0.661 | AUC 0.971 | meaning: plausible
True class 1, predicted 1 (correct), margin 0.682
Orange bands mark representative intervals, not unique causes.
